RESERVATIONS IN ORANGE AND GREEN (PAPERBACK)

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.What the author wanted with this title, which derives from the fact that he alternated between green- and orange-covered notebooks during its composition, was a framework that allowed him to think and write freely without making concessions to political overtones of an ethnically-biased Irish nature, and somehow he has succeeded, even at this comparatively late stage in his literary vocation, in both correcting a fairly long-standing philosophic error of logic in his thought and extending his philosophy to embrace an entirely new perspective which he believes to be of seminal importance in both understanding and defining contemporary civilization as an extension of Western civilization, whether or not one relates to it or has any ancestral connections with it.
