Reviews

Undoubtedly, this is actually the very best job by any writer. It is loaded with wisdom and knowledge. You will not really feel monotony at anytime of your respective time (that's what catalogs are for concerning when you check with me).

(Prof. Lawson Stokes IV)

ENCOUNTER IN THE PLEIADES: INSIDE LOOK AT UFOs

DOWNLOAD

Sky Books. Paperback. Book Condition: new. BRAND NEW, Encounter in the Pleiades: Inside Look at UFOs, Preston B. Nichols, Peter Moon, For millennia the seven stars known as the Pleiades have twinkled in the night sky, inspired countless legends and dared Mankind to discover their secrets. Encounter in the Pleiades is the story of a man who was taken to the Pleiades and given a scientific education far beyond the horizons of anything taught in universities. For the first time, the personal history of Preston Nichols is revealed along with an avalanche of amazing information the world has not yet heard. A new look at Einstein gives insights into the history of physics and how the speed of light can be surpassed through the principles of reality engineering. New concepts in science are offered with technical but simple descriptions even the layman can understand. These include the creation of alternate realities through the use of twisters and spinners; mind control aspects of the Star Wars defence system; implants; alien abductions and much more. Peter Moon adds further intrigue to the mix by divulging his part in a bizarre project which led him to Preston Nichols and the consequent release of information. His account of the role of the Pleiades in ancient mythology sheds new light on the current predicament of Mankind and offers a path of hope for the future.
