A Guide to Cultivating Closeness When A Friend is In Crisis sets out to address what happens to friendships when one friend faces a major life crisis like cancer, divorce or job loss. Are you at a loss for how to help your friend? Do you worry that you re going to say the wrong thing? If you ve ever tried to help a friend cope with a difficult and painful time in her life, then this book is for you. Why is She Acting So Weird? fills in the gap of time between building friendships (ala Shasta Nelson) and ending friendships (ala Dr. Irene S. Levine). When Jenn McRobbie was diagnosed with breast cancer, she found that her friendships changed and morphed in ways that no one could have expected. To honor all of those relationships, Jenn has written this book for all friends; the book she wished she could have given her friends when she was diagnosed. She s walked the path of crisis with her friends and now offers you the valuable insight gained during that journey. Why is She Acting So Weird? gives friends ways to navigate the difficult terrain of a crisis. Inside you ll find topics ranging from developing a support system to what to say when you re at a loss for words. You ll learn practical skills about things like helping your friend build a communication plan and how to offer advice without overstepping your friend s boundaries. At the end of the book, you ll have a greater understanding of what your friend is going through and how you can help....
