By John S Reid

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from A Course in Mechanical Drawing, Vol. 3 To Meet the demands of high schools, manual training high schools, university preparatory schools, technical colleges, and evening classes, it has been found necessary to add to A Course in Mechanical Drawing a concrete set of problems covering the full requirements in mechanical drawing for entrance to the more advanced classes in machine drawing, elementary machine design, and architectural drawing. The minimum time allowed in a definite number of working hours for the finishing of each plate, as introduced in this edition, is a new feature, and will be much appreciated by Instructors when determining the amount of work to require from their students in a given term. The time allowed for the different plates has been carefully determined by taking note of the actual number of hours taken by large numbers of students working on the same plates, under the same conditions, and a conservative average taken, so that any young man of fair intelligence and with an honest endeavor may finish any of the plates in the...
