Zubaan, New Delhi, India. Hardcover. Book Condition: New. Dust Jacket Condition: New. First Edition. Inclusive Citizenship seeks to go beyond the intellectual debates of recent years on democratization and participation to explore a related set of issues around changing conceptions of citizenship. Peoples understandings of what it means to be a citizen go to the heart of the various meanings of identity, including national identity; political and electoral participation; and rights. The researchers in this volume come from a wide variety of societies, including the industrial countries in the North, and they seek to explore these difficult questions from different angles. Themes include: Citizenship and Rights; Citizenship and Identity; Citizenship and Political Struggle and the policy implications of substantive notions of citizenship. Contents Acronyms Notes on contributors Foreword 1. Introduction: The search for inclusive citizenship: meanings and expressions in an interconnected world and Rights 2.
