BiblioGov. Paperback. Book Condition: New. This item is printed on demand. Paperback. 58 pages. Dimensions: 9.7in. x 7.4in. x 0.1in. Cold case homicide investigations are about more than seeing a case solved, a conviction rendered, and justice meted out, as important as these are to law enforcement and survivors. The Best Practices Subcommittee of the Task Force recommends in this guide that every Arizona law enforcement agency with a cold case homicide have a written cold case homicide protocol and states that cold case homicides are one of the most significant challenges facing law enforcement agencies nationwide. When the task force surveyed all police departments, county sheriffs offices, and tribal police departments in Arizona, only 9.4 percent of responding agencies reported having written protocols for the handling of cold case homicides. Improving the systemic processes of cold case homicide investigations is a critically important task for law enforcement. These processes provided include the non-technological aspects of investigations, such as, sensitivity to survivors needs, the improvement of which will also improve law enforcements investigatory outcomes in the solving of more cold cases. The information and recommendations outlined in this guide will inform law enforcement about establishing a protocol with the foundational...
