Reviews

Great electronic book and useful one. It can be written in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Skyhorse Publishing. Paperback. Book Condition: new. BRAND NEW, Informal Learning and Field Trips: Engaging Students in Standards-Based Experiences Across the K-5 Curriculum, Leah M. Melber, Doris B. Ash, Turn every field trip into a high-quality learning experience! What youngster isn't excited at the prospect of taking a field trip? Enthusiastic students present teachers with the ideal scenario for creating meaningful out-of-the-classroom encounters and giving students the building blocks to help them become active participants in their own educational process. This resource helps educators take full advantage of off-site educational opportunities by developing lessons that connect informal learning with content standards. Based on constructivist philosophy and inquiry-based learning, the book provides numerous sample lesson plans and technology tips, and includes: * Learner-centered activities for language arts, math, science, social studies, and fine art * Ways to support English Language Learners and special education students * Guidelines for developing corresponding classroom activities * Strategies for building partnerships with informal learning sites * Methods for bringing museum-type activities into the classroom when a trip is not possible Field trips turn the whole world into a classroom. Informal Learning and Field Trips helps enrich students' lives as they explore the world outside the school grounds and gives teachers a prime opportunity to revitalize the learning experience.
