Reviews

The publication is straightforward in study better to fully grasp. It is definitely simplistic but excitement inside the 50 percent of your publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

Brand New Book ***** Print on Demand *****.Excerpt from The Free-Thinker s Information for the People The description of the creation and the fall of man, commonly known by the name of the Mosaic account, is contained in the first three chapters of the Book of Genesis. Moses, a Jewish Law-giver, having been represented as the author of the book, the account has always gone by his name. This statement of the origin of things, being the foundation of a most gigantic and extensively organized system of superstition, and one which has been a great stumbling-block in the path of human improvement, we purpose, in this treatise, to exhibit some of the most glaring absurdities and defects contained in this account, and to prove by scientific induction, the utter impossibility, according to the canons of rational criticism, of the Bible statement being true. The first chapter of Genesis commences with what some divines have called, the most sublime passage on record, but which to our uninspired understanding, seems but an inflated common place exclamation, explaining nothing. For we are told, In the beginning, God created the heaven and the earth, leaving us entirely at a loss to know what the Deity had been doing prior to this event, and the circumstances which had induced God at this particular juncture from an eternity of idleness, to arise and frame the fair fabric of creation. We are next informed, that the earth was without form and void, and darkness was upon the face of the deep, and the spirit of God moved on the face of the waters. From this it would appear, that after the beginning and the creation of the heaven and the earth,...
