One Bodymind, Ltd., United States, 2012. Paperback. Book Condition: New. 213 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.In *Seek Wisdom*, the first book of his One Bodymind Series, Dr. Berndtson introduces a new approach to the care and prevention of chronic illness, with profound implications for health education, self-care, and the stewardship of living systems. He shows how oversimplification of the physician's task is hurting patient care and limiting medicine's potential as a healing force in the world. With its problems mounting and no sustainability plan in place, humanity is in a bind. He asks, What might a planetary medicine doctor advise humanity to do? In exploring answers to this question, his essays forge a new vision for health and healing - a call for unity around the lasting idea that wellness of the people, by the people, for the people, might yet flourish on the earth. Keith Berndtson provides us with compassionate...
