FANTASTIC FUTURES (PAPERBACK)

Createspace, United States, 2015. Paperback. Book Condition: New. Large Print. 254 x 178 mm. Language: English . Brand New Book ***** Print on Demand *****. Why Understanding All The Ins And Outs Of Futures Trading Is Crucial! This is one area you must pay attention to. Future trading is basically the trading platform where processes are done between two parties agreeing to transact a set of financial or physical commodities for future delivery at an agreed fixed price. Let me explain. The exercise entails buying future contracts, meaning the investor is agreeing to buy something that the seller has not yet made for a set agreed price. However this type of transition does not in any way mean, that the investor will eventually be responsible for or expect to receive the inventories in its physical form. And the worst part? The more you don t know the less you will succeed!.
