Micah has a gift, he can read people s minds. Such a gift could be a help and a hindrance on a job. He could pluck the information he needs right out of someone s mind, but knowing they re guilty and proving it are two different things. But when his dad is killed off duty it has him rethinking his career choice. Regina Webster, Reggie to her friends, is just trying to make ends meet by working three jobs to keep her head above water, and also take care of her invalid brother. She doesn t have time for socializing with bossy men like Micah Bentley who butt into her life making everything concerning her his business. She doesn t know anything about this mate thing he keeps spouting off about, she just wants him to leave her alone. Due to a random act of violence, she finds herself suddenly homeless: no home, no money, no car and suffering from a gunshot wound to boot. Reggie has no choice but to accept a helping hand from the Bentleys at least until she can get back on her feet. Trouble has Reggie marked, and this time they take Micah s mom too. Micah knows they re in trouble, but when the bad guys don t go where they re expected it s a race against the clock.
