HarperCollins Publishers. Hardback. Book Condition: new. BRAND NEW, **Where's Nigel?: Find Farage Before His Dreams of Power Become Reality**, George Santillan, George Santillan, He's the fag-smoking, beer-swilling political maverick whose legendary stand-up shows at the European Parliament always play to a full house. With his towering charisma and easy way with the incendiary one-liner, Nigel Farage is never lost in a crowd. Until now. It's time to open your eyes to what's really going on in this country and ask, **WHERE'S NIGEL?** Look for him among the hordes of our job-starved Romanian immigrants, the legions of publically breastfeeding ladies, at right-wing-but-definitely-not-racist political rallies and at his favourite multi-cultural event, Notting Hill Carnival. You know he'll be having a ball. Featuring crowds of just about everyone Nigel has offended over the years and a host of cameo appearances from political peers such as Russell Brand and SamCam, **WHERE'S NIGEL?** is the essential companion to the General Election and the closest you're ever likely to get to a UKIP manifesto. Be sure to cast prejudice aside as you go in search of the great man.
