Crimson Romance, United States, 2012. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.In 1855 New York, Ginger Fitzpatrick has absolutely no interest in taking part in the newest rage in America-the Cotillion Ball. Instead, Ginger would rather be rallying for women s rights-at least until she meets her brother s best friend from St. Louis, a dark mysterious man named Joseph Lafontaine, who ignites her passion and makes her question if love and marriage is such a ridiculous notion after all. What she and the rest of New York s high society don t realize is that Joseph is half Ojibwa Indian, and therefore, totally unsuitable for marriage to a fine, cultured young lady. In this Edith Wharton-meets-Julia Quinn tale, a young woman rebels against high society and opts for a life in which she creates her own set of rules. Sensuality Level: Sensual Ever since submitting her first screenplay to Bonanza at age twelve, Becky Lower has had a love affair with the American west. Since personal time travel is out of the question, she pursues her passion by writing about it. Becky is a graduate of Bowling Green State University and lives in Oberlin, Ohio with her dog, Mary.
