Brand New Book ***** Print on Demand *****.Rodrigues Ottolengui (March 15, 1861 - July 11, 1937) was an American writer and dentist of Sephardic descent. Born in Charleston, South Carolina, he moved to New York, where he would spend most of his adult life, in 1877. One of three children, Ottolengui was a son of Daniel Ottolengui and Helen Rosalie Rodrigues Ottolengui; he had a sister, Helen, and a brother, Lee. He was the editor of *Items of Interest: A Monthly Magazine of Dental Art, Science, and Literature* for thirty-five years, which he continued to edit after retiring from dentistry; he compiled *Table Talks on Dentistry*, drawing from articles in *Items of Interest*. A dental pioneer, Ottolengui was one of the first to use X-rays and was a specialist in orthodontics and root canal therapy. He was also interested in entomology, taxidermy, and photography. In addition to his work in dentistry, Ottolengui is remembered as an early exponent of detective fiction, with four novels and a short story collection published during the 1890s. The short story volume, *Final Proof*, was recognized by Ellery Queen as one of Queen's Quorum-the most important collections of detective short stories. Many years later a second series, *Before the Fact*, originally published in 1901, was discovered and published in book form edited and introduced by detective fiction scholar Douglas G. Greene. His wife, May C. Hall Ottolengui, died on 10 July 1936; he died at his New York residence the next year of a heart ailment and a stroke caused by a long illness. His sister died on 22 July 1938.
