Never mess with a Witch s Circle is one of the most important laws in the magical world. But Loli finds herself doing just that - breaking the law. For once, Loli goes too far as she meddles into the deeper dimensions of magic, in spite of the repeated warnings of her school mates. Bearing the wrath of magical maestro, Maya Calthrope, is the least of their worries compared to the consequences she and her two companions would soon face. For the Kingdom of Rosefolk is wrought with the most sinister, most eerie happenings . The only person they can now trust is Hazel, the Princess of Rosefolk, who saves them from a near death sentence by the skin of their teeth. But Princess Hazel is herself imprisoned by the shackles of dark magic, masterminded by her wicked stepmother along with an evil, twisted sorcerer of the times. Together, the three young magicians face the most horrific of adventures in their death-defying journey to save the estranged princess. Will their life be normal again? Will they return back to their amazing and exciting days at school where every single day was simply magic? Will they survive this horrendous ordeal? This is what remains to be seen .
