Reviews

The ebook is great and fantastic. We have read and i also am sure that i am going to likely to go through once again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

MIDNIGHT NOTES GOES TO SCHOOL: REPORT FROM THE ZAPATISTA ESCUELITA (PAPERBACK)

AUTONOMEDIA, United States, 2014. Paperback. Book Condition: New. 211 x 135 mm. Language: English . Brand New Book. Out of the Mexican southeast, a new society is emerging, one based on communal lands, recuperation of indigenous culture, gender equality, cooperative self-defense, organic agriculture, and food, shelter, health and education for all. This historic project to build Zapatista Autonomous Good Governance -- separate from the Mexican state and the capitalist market -- has engaged hundreds of indigenous communities across Mexico s Chiapas province, which stretches across terrain the size of Rhode Island, from mountain rain forests to pastoral valleys to lowland jungle. This Zapatista model of Autonomous Governance has slowly emerged as a beacon of hope across the hemisphere, and stands in stark contrast to the horrors offered by low-waged maquiladora development, the narco-economy, the brutality of Latin American urban life and the US/UN neoliberal model exemplified by the military occupation of Haiti.
