paperback. Book Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Paperback. Pub Date: 2012 Pages: 633 Publisher: Shanghai Foreign Language Education Press in Translation and Textual contrast. we also proposed six questions: (1) Linguistics and Translation Studies; (2) translation research methodology; (3) Comparative Literature and Translation Studies the cross and integration issues; (4) Translation of empirical research; (5) School of Chinese contemporary translation studies combing with Chinese translation history theory; (6) The empirical study of multi-level translation personnel training. The first question raised. I think it is combing the development of translation theory for decades an important cut path. The development and updating of translation theory. and is closely related to the attitude of linguistics. Once upon a time. the so-called scientific is to completely take the road of linguistics. and consciously accept the guidance of linguistics. translation studies in linguistic theories popular at the time under the guidance of (first structuralism. post generative linguistics and applied linguistics) . to slavishly established translation theory. Contents: Speech monograph carry forward the fine style of study and innovative academic research - Comparative Study of English and Chinese Ninth National Symposium-cum-Chinese Contrastive and Translation International Symposium opening statement to strengthen the Institute of Culture building deepen academic research - English and Chinese ninth National Symposium-cum-Chinese Contrastive and Translation International Symposium closing remarks language research studies will need to continue to explore innovative three cases talk about the Chinese character for wind semantic field of ancient China eco-cultural spirit of the English and Chinese language - from Chinese Contrastive comparative study from the general theory of morphological characteristics to create - Also on Should hate metaphysical Chinese and Western early grammar book of English timeliness Chinese space - from Humboldt's intrinsic linguistic...
